

IBM Global Services Delivery Centre Polska Sp. z o. o.

Mum Comes Back To Work by WoMen in Business Mum@Work

Mum@work arisen from WoMen in Business group and created the project which found necessary. The stream created the process to empower mums & dads and to ensure that work & life balance is preserved.

The implementation of the project included creating a TASK ID for parents, a buddy program, a feeding room, opening a kindergarten close to the workplace and creating the "Parents Week" event.
