

BUSINESS LEADER IN SUSTAINABLE BUSINESS AND ESG STRATEGY

PPG GLOBAL BUSINESS SERVICES POLAND SP. Z O.O. UNIVERSIADA

Deficit of qualified scientific, technical, engineering and mathematical (STEM) staff and low interest of young people in these fields

Help young people discover their interests in science by inspiring, encouraging creative thinking and implementing their own ideas in this field and showing also its business exposure

PPG GLOBAL BUSINESS SERVICES POLAND SP. Z O.O.

PEOPLE

DEVELOPMENT OF PEOPLE

Attendance/Interest

Over 40 children engaged,
10 schools represented

COMPANY IMAGE

SOCIETY IMPACT

Talents growth

Supporting growth
of talented people
in local society

Pilot edition showed the huge potential of young people, whose natural curiosity, creativity and desire to find answers with appropriate stimulation bring specific solutions to the problems they pose

The Team
